True Prep

Okay, we admit it. We are totally thrilled when we find ourselves glowingly referred to in print, photographs, or TV. Thus, imagine our delight and pleasant surprise to see Classic Collections mentioned (pg. 99) in the just published book, "TRUE PREP - It's a Whole New Old World" (Alfred A. Knopf, 2010).

Written by the original author of "The Official Preppy Handbook" Lisa Birnbach along with Chip Kidd, TRUE PREP is a current view of how the original preppies (now the new, old guard) have adjusted to the current order of our culture. Riveting subjects include money (always good), scandals (prison and rehab), schools (very important), sports (must include sailing), electronics (all those new thingies), wardrobe (think Classics) and shopping (definitely think Classic Collections!)

While we clearly wouldn't deny some of our "Preppy Fashion Tendencies", a visit to our boutique will dash your hopes of finding anything by L.L. Bean, J. Crew or Bass (Weejens).

We proudly showcase classic designers such as Armani, Valentino, Hermes, Chanel, Gucci, Givenchy, Dior, Yves Saint Laurent as well as the "newer" fashions by Dolce & Gabbana, Versace, Prada, Roberto Cavalli, Moschino and Missoni to name a few.

That said, TRUE PREP is spot on for many of us, very Palm Beachy (hear that Muffy?) and secretly hilarious. What a hoot!

FALL FASHIONS

Fall Fashions

By Mid-October Classic Collections will be featuring our fabulous selection of Fall Fashions! This means seeing autumn-weight suits, sumptuous sweaters, nubby knits, hefty handbags, beautiful boots, swirling scarves, jacquard jackets, substantial shoes and more. We're talking about the rich colors we are thirsty for after a long, pastel, sizzling summer - garnet, navy, charcoal gray, ruby, chocolate, forest green, russet, taupe, bronze, and 500 shades of black. Let's again experience the yummy luxury of tweed, suede,

leather, satin, wool, cashmere and velvet. Ahhhh!

Do yourself a favor and take a spin through your various closets - yes, the multiple closets in the multiple houses and apartments in the various places you own. There are treasures to be found that you will never wear and that would love to join the ranks of designer, luxury merchandise at Classic Collections. Just give us a call and let us know what you have and we will try to arrange to pick up your items or make an appointment for you to come in. Better yet, you can ship your pieces to us directly (easiest) and we'll let you know everything has arrived safely. But hurry ... once the floor fills up, space limits our merchandise intake! Please remember, that we are putting out FALL and WINTER items now ... hold onto your summer and lighter things until Spring. PLEASE, everything must be in perfect condition, impeccably clean and stylishly current. If you have any questions, give us a call beforehand and we'll work with you.

GIVING BACK

It's that time of year when we focus on donations for local charities. This year we are pleased to be working with several groups, all of whom desperately need contributions from those of us who can give. In this economy, with people losing jobs and income, we are acutely aware of the many blessings we have and strive to help those who need a hand.

Peggy Adams

POSH

Among the charities that we donate to and support are The Salvation Army, POSH Lighthouse for the Blind, Dress for Success, Morse Geriatric Center, Goodwill Industries, American Heart Association, March of Dimes and the Cancer Federation. And we do not forget our furry friends! We continue to support Adopt-a-Pet, Peggy Adams Animal Rescue League and the Humane Society among others.

We urge all of our friends, customers and consignors to be aware of the tremendous need for

donations for those less fortunate during these difficult times. Your care and generosity will bring you blessings many times over. To that end, if your consigned items are not sold during your contract period, you may request that your remaining merchandise be donated to a specific charity and we will try to accommodate your wishes.
